

Enabling Service Providers And Carriers To Quickly Transform Ideas Into Growth.

A Powerful Solution. A Dedicated Partner

For over 25 years, IDI Billing Solutions has been a leader in Billing, Automation and Workflow solutions for the communications industry. Our comprehensive cloud-based solutions enable you to enhance operational efficiency, monetize services, automate operations, and seamlessly scale as your business grows.

Monetize & Automate — Integrated, Cloud Based B/OSS Platform

Experience a world class monetization platform designed to support innovative product and service offerings, complex rating schemes and diverse business models. Enjoy the freedom and flexibility you need to:

- ▶ **DESIGN** – Product Catalog
- ▶ **SELL** – Retail POS, Sales, Commissions, Channel Portal, Retail Payments
- ▶ **DELIVER** – Order, Inventory, Workflow, Provisioning, Tickets
- ▶ **INVOICE** – Usage Rating, Billing, Taxing, Direct Invoicing
- ▶ **MANAGE** – Financials, Customer Care, Business Intelligence, OnlineBill

The IDI Difference

Agile Cloud Platform

Maximize efficiency and scale on demand. IDI's integrated cloud platform includes open APIs and features an infrastructure design that offers high availability, redundancy, scalability and performance at a price point that is impossible to replicate in-house.

You'll also enjoy true peace of mind knowing that Security & Trust is our top priority — IDI maintains the highest certifications to compliance framework controls, including SOC1/SSAE 18, SOC2, PCI DSS, and HIPAA.

Operational Expertise

Our U.S.-based team of seasoned industry experts are committed to supporting your business needs every step of the way:

- Implementation and Project Management
- Dedicated Account Management
- Software Development
- Billing Specialists
- Regulatory & Compliance Consulting
- Tax Services
- B/OSS Training

Powerful Partner Alliances

Access our extensive network of industry-leading partners, each carefully selected based on their sharing our values and dedication to turning client ideas into growth.

Whatever your business requires — from CPQ and electronic bill payments, to workforce management, commissions, marketing services, and more — when you partner with IDI you'll benefit from the full strength of our deep bench. It's a powerful approach that is unmatched in the industry.
