

# Cloud-Based Billing Quickly Monetize Services and Automate Operations

Transform your business's financial health with IDI's robust and reliable cloud-based billing system. We're not just a service provider; we're your partner in securing a consistent, hassle-free revenue stream.

With IDI's nearly three decades of expertise and a track record of over \$1 billion in annual billed revenue, we guarantee precision and punctuality in every billing cycle.

## Rate & Bill Any Service, Any Product, Any Market

IDI's user-friendly, convergent billing platform is a game-changer, offering a unified solution for billing, rating, invoicing, and collections across diverse markets. With IDI, you'll leverage:

### ▸ Usage-Based Billing

Our advanced rating engine supports various billing models – from one-time and recurring to subscription or usage-based, covering a vast range of markets.

### ▸ Comprehensive Billing Management Dashboard

Custom-designed for your business, this dashboard offers full transparency and control over all billing processes.

### ▸ Innovative Discounts And Promotions

Break free from restrictive discounting systems. Our platform supports a myriad of discounting options, fueling your promotional creativity.

### ▸ Unified Reseller Billing Services

Expand your reach and revenue without the complexity of multiple systems, offering tailored white-label billing services to your channel partners.

### ▸ Minimized Revenue Leakage

Ensure every record counts. Our system identifies and captures revenue from initially unbillable records, with a dashboard to monitor trends and resolve issues swiftly.

### ▸ Dynamic Pricing With Price Matrix

Customize pricing dynamically based on customer location, contract status, or product/service consumption, using a single, adaptable SKU.

### ▸ Direct Invoicing

Accelerate revenue realization for significant items with immediate billing at the point of sale, bypassing the standard billing cycle.

### ▸ Eco-Friendly Paperless Billing

Encourage paperless billing with incentives, leading to faster bill delivery and quicker payments.

### ▸ Integrated Tax Management

Simplify tax processes with our comprehensive, integrated tax solution, eliminating the need for external databases.

### ▸ Streamlined E-Rate Support

Automate E-Rate funding applications for your services, reducing manual tasks and ensuring compliance and efficiency in tracking and utilization.
