

Streamline Your Payments with IDI's Digital Wallet Solution

A Next-Level, Digital Payment Experience

Today's customers expect quick, hassle-free payment options as part of their service experience. With IDI's Digital Wallet Solution, you'll go beyond meeting expectations—you'll redefine them. Deliver a seamless, flexible, and customer-centric payment experience that elevates satisfaction and strengthens loyalty.

Our solution, powered by **Paymentus**, offers a full suite of secure, convenient payment options through a cloud-based, fully integrated platform. Empower your customers to pay when and how they prefer while boosting operational efficiency across your organization.

Boost Customer Satisfaction and Drive Faster Payments

Modernizing your payment processes has never been easier. IDI's Digital Wallet Solution enhances customer engagement, reduces payment-related inquiries, and simplifies your billing operations. You'll benefit from:

► Real-Time Payment Processing

Say goodbye to delays and data errors with instant account validation and payment posting. Centralized data management makes reconciliation quick and effortless.

► Customer-Preferred Payment Channels

Let your customers pay their way. From online to mobile, we make it easy to offer accessible, flexible payment options.

► Total Transparency

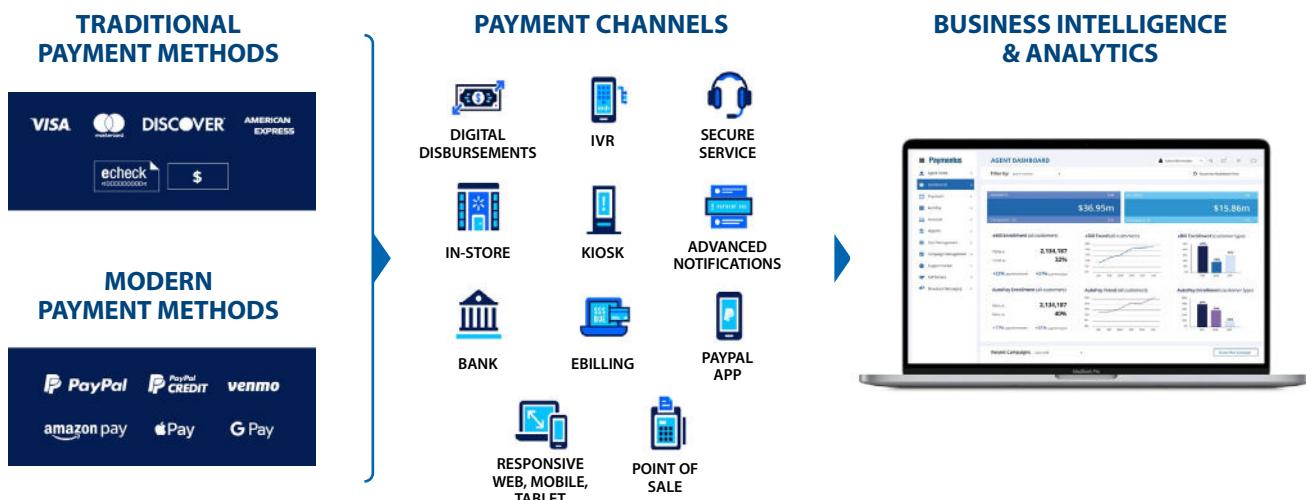

Our integrated system provides detailed tracking and reporting, enhancing trust and peace of mind for you and your customers.

► Increased Payment Adoption

Flexible, convenient payment options lead to higher adoption and faster payments, benefiting both your cash flow and customer relationships.

► Reduced Operational Costs

Automation minimizes manual tasks, reduces errors, and frees up resources, driving down operational costs while increasing efficiency.

Built-In Security and Compliance For Peace Of Mind

Financial security is non-negotiable. IDI's Digital Wallet Solution not only enhances security but also simplifies PCI compliance. With robust, secure architecture, you'll experience 100% uptime and top-tier data protection, so you can focus on your core business with confidence while we keep payments safe and secure.

Build a Better Payment Experience with IDI's Digital Wallet Solution

Empower your business with IDI Billing Solutions' integrated digital wallet capabilities. Give customers more ways to pay, expedite cash flow, and see adoption rates soar as you modernize with a streamlined, transparent, and user-friendly solution.

Take the next step toward simplified payments and improved efficiency today—Schedule a consultation with one of our experts at **800.208.6151** or visit idibilling.com/demo. Or, if you're a current customer, reach out directly to your IDI Account Manager for more information.
